

**NOTE**  
 The drawing below is showing a rolling Road Closure.  
 It will be closed under long delays on a rolling basis from 2 points. There will be a third operative flipping signs already placed in situ to avoid any confusion to road users.  
 Closure points will be as follows:  
 spoiler.enforced.culling - landlords.promoting.equipment  
 landlords.promoting.equipment - drilling.clogging.blatantly  
 drilling.clogging.blatantly - direction.unscathed.smoke  
 direction.unscathed.smoke - between.punters.auctioned - decisions.tiger.paint  
 The closure points are marked below with

**NOTE**  
 Advance warning signs to be installed prior to installation of closure.

**NOTE**  
 Letter drop required informing all residents about works taking place.

- Sign

All drawings are drawn to north.

All layouts are drawn with Traffic Signs Regulation & General Layout Directions 2016 & Chapter 8 Guidelines. Using Safety At Street Works And Road Works A Code Of Practice as a guideline. Drawing to be read with relevant method statement & risk assessment. All sign locations are indicative and exact locations will be determined on site. Cross section is measured from narrowest point throughout works. This may differ on site and are only to be used as a guide.

Drawn by Ackroyd Design.
