Main Purpose of Job

- To support and advise the Corporate Management Team and Elected Members in the overall strategic management of the Council.
- To support the delivery of Sustainable Development in Carmarthenshire, providing advice and assistance to Elected Members and working corporately with colleagues to deliver the Council's regeneration priorities.
- To support the delivery of the Carmarthenshire Economic Recovery & Delivery Plan (April 2021), ensuring efficient processing of planning applications that support jobs and economic development, increased housing supply and town centre recovery.
- To lead on the Council's approach to promoting environmental sustainability in line with the wider Council's Well Being of Future Generation responsibilities,
- To support the delivery of the Council's Corporate Strategy, including the Council's Well-being Objectives and ensuring the steps taken are in accordance with the sustainable development principle of the Well-being of Future Generations Act – improving the economic, social, environmental and cultural well-being of Carmarthenshire.
- To ensure a culture of performance management, continuous service improvement, evaluation and performance review, and that resources are used economically, efficiently and effectively.
- To contribute to the Environment Departmental Management Team (DMT) by taking the lead on issues allocated as part of the post's corporate portfolio.
- To lead, manage, develop and implement relevant strategies that will deliver a comprehensive, effective and focused Sustainable Communities Service in accordance with the Council's aims and objectives.

Key responsibilities

1. Provide clear and visible leadership and strategic direction that inspires team working and secures high levels of performance and commitment amongst managers and employees to deliver exceptional services.
2. Be the principal advisor to the Chief Executive, Director of Place, Infrastructure & Economic Development and the Executive Board on the key issues and strategies relevant to the various service portfolios of the directorate, securing both corporate and political support that will ensure the best possible outcomes for service users.
3. To support the Head of Economic Development & Property in engaging with prospective developers and investors in a proactive manner - promoting, encouraging and facilitating development opportunities throughout the County.
4. Work with colleagues, external stakeholders and partners to ensure that carbon reduction and further sustainability objectives are embedded within Council services and support partner and the Council's Net Zero Carbon objective and economic recovery proposals.
5. To be responsible for the development, implementation and review of policies and delivery frameworks/action plans on energy management and land use, to meet the carbon neutral aspirations of the Council and sustainable development.
6. Develop a culture of partnership working with other public bodies including Corporate Joint Committee (CJC) partners, as well as those in the private and voluntary sectors to ensure that all opportunities are maximised to the best advantage of the Council and the residents of Carmarthenshire and the region.
7. Promote and foster an organisational culture in which constructive challenge, innovation and creative solutions are the norm, promoting the Council's reputation as a top performing local authority and good employer.
8. Lead on options appraisals, feasibility development and project implementation including procuring contractors and consultants, managing project teams, achieving all necessary approvals, risk management, financial business planning, communication, and engagement. To have overall responsibility for leading, setting, monitoring, and controlling the budgets and resources for the relevant service elements of the Directorate.
9. To ensure the work of the Division complies with all statutory duties specific to the service and other wider corporate duties on the Council and ensure that officers are suitably qualified and competent in relevant areas and support continuous development to work towards a resilient and sustainable service.
10. To be responsible for the strategic and operational management of the Council's statutory planning functions as the Local Planning Authority, including the regional strategic development plan, local development plan, minerals, development control, conservation, biodiversity, natural environment obligations/considerations and building control.
11. To be responsible for the development, maintenance and review of the Council's Local Development Plan (LDP) which will ensure the integration of all the Council's land using

planning, transport planning, economic development, health improvement and social and community policies within a sustainable development framework.

12. To support the Council's policy making across the corporate spectrum and specifically on all planning, licensing and enforcement matters and to ensure that these are translated, where applicable, into plans, programmes and services which accord with the principles of sustainable development, future generations and well-being.

13. To be responsible for the strategic and operational management of the Council's statutory and discretionary flood management/mitigation and strategic response as Lead Local Flood Authority (LLFA), including flood risk strategies, plans and assessments, management of reservoirs, coastal erosion and sustainable drainage management regulation, approval and advice services.

Our Core Values and Behaviours

[Click here for the full framework](#)

One Team:

Adapting to Change - You can adapt to changes in work or environment, remaining effective and positive. You adapt your personal style to suit different people or situations, to collectively deliver shared goals or purpose. You make positive use of change and uncertainty to promote and encourage collaboration and sharing across departments, services and with partners in regional working.

Customers First:

Customer Focus - You actively seek the diverse views of individuals who use our services, to improve our service delivery through Welsh and English. You plan ahead for service needs, considering the wider factors and long-term effects of decisions. You develop, deliver and evaluate strategic plans, balancing short term pressure with long term goals, aligned to the Council's vision, which address diverse service needs including Welsh language and culture.

Integrity:

Leading & Delegating - You follow processes, and guidelines, challenging in a positive way if issues arise. You prioritise your own and others' work fairly, based on people's strengths, and providing clear, timely feedback. You set and maintain a clear, positive direction, with highly focused priorities and outcomes which are clearly communicated to teams.

Excellence:

Analysing - You take a positive approach to deal with problems and find ways to identify suitable solutions. You research and analyse numerical and written information and data from a range of sources to inform evidence-based decisions. You probe for further information or understanding of a problem, recognising how one issue may be part of a larger system and making rational conclusions.

Take Responsibility:

Demonstrates Responsibility - You hold yourself accountable for what you have promised to deliver, including tasks delegated to others. You use your judgement and take a considered approach to situations and tasks when making decisions and/or providing advice. You fairly allocate resources and make appropriate strategic decisions to support delivery of services.

Listening:

Listening To Others - You show enthusiasm for the service you deliver and to improving your work. You establish and maintain ways to involve a diverse range of colleagues, stakeholders and partners in developing improvements. You lead across boundaries, viewing public service as one community, bringing communities and partner organisations into decision making.

Knowledge

A clear understanding of the Government's agenda for Local Government at both UK and Wales levels.

Demonstrate a proven knowledge of policy, strategy and delivery relating to sustainable development, planning, enforcement and climate change and leading teams to deliver programmes and initiatives with a flair for partnership working.

Job Specific Skills

To confidently manage sensitive and political issues with effective use of diplomacy to achieve positive outcomes for service users.

Able to create an environment of trust, openness and equality by interacting with people of various social, cultural, economic and educational backgrounds.

Demonstrate excellent interpersonal skills that enable positive relationships with relevant stakeholders/partners, including Trade Unions.

Experience

A proven track record of successful strategic management within a large organisation.

Experience in developing and implementing service strategies that deliver demonstrable improvements.

Experience of delivering significant efficiencies through the use and promotion of ICT.

Evidence of leading significant organisational and service change together with successfully managing the People Management implications.
